Dear Sir:

Ref: S.E. 4-27-11-W4

This department has a old account against the above noted land for advances & relief and seek your assistance. Henriette Krause in 1915. We are anxious to trim our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Mrs. Henrietta Krause
S.E. 4-23-14-W4

The matter of an application for an adjustment of indebtedness on the above mentioned [illegible] is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In [illegible] seed grain and relief amounting to $53.7[illegible] were advanced to Mrs. Henrietta Krause on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 13.75	$ 98.54	$ 1[illegible]

Patent was issued in the name of Mrs. Henrietta Krause for the S.E. 4-23-14-W4 on the 24th of June 1[illegible], subject to the 191[illegible] liens.

In reply to our questionnaire of the 2nd of July 1942, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is presently vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease issued by this Department. This land is located in [illegible] part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,

Replying to your letters of the 27th July last, and 5th ultimo, covering communications from Mr. A. E. Burke of Lynden, Alberta, to purchase certain lands for irrigation purposes, I am directed to say that township 11, range 1 W. 5th M. is unsurveyed. The odd numbered sections in township 12, range 1 W. 5th M. are reserved for the Calgary and Edmonton Railway Company on account of its land subsidy and therefore section 1, part of which appears to be covered by Mr. Burke's application, would not be at the disposal of the Department. Mr. Burke's application to be advised in regard to the name of a Dominion Land Surveyor to make the survey has been referred to the Surveyor-General.

The land applied for, with the exception of [illegible] acres, is clear. E.R.

Department of the Interior,

Ottawa, 9th March, 1905.

MEMORANDUM:

Mr. Frank Oliver, M.P., submitted under cover of his letter of the 29th July, 1904, a letter from Mr. A.W. Burke, in which he made application to purchase under the Irrigation System the N.W.¼ Section 33-II-30 West 4th Meridian, the S.W.¼ section 35-II-30 West 4th Meridian, the S.W.¼ Section 35-II-I West 4th Meridian, and the E.½ and the N.W.¼ Section I-I2-I West 4th Meridian; and Mr. Frank Oliver was advised by our letter of the 19th of the following month of the conditions under which lands are sold under the said System, and informed that no further action could be taken with respect to Mr. Burke's application until an application for permission to divert water under the North West Irrigation Act had been received here. A copy of this letter was sent to the Agent at Lethbridge and to the Deputy Commissioner of Public Works, and the latter reported that Mr. Burke had submitted the usual memorial and plans in connection with his scheme to divert water from a spring on the N.E.¼ section I-I2-I West 4th Meridian, and that the necessary advice had been given him.

Mr. Stocks subsequently reported on the 15th October last, that Mr. Burke had asked for an extension of time for 2 months, to enable him to file the necessary memorial and plans and to make the required arrangements in regard to the purchase of the lands in question, owing to his having met with and accident and broken his leg; and recommended that

such

J.W. Greenway, Esq.,

Commissioner of Dominion Lands.

such extension be granted.

Mr. Stocks was informed by our letter of the 15th of the same month that the extension of time asked for had been granted. No further action would appear to have been taken in the matter; and it was pointed out to Mr. Stocks, in our letter of the 15th January last, that the extension of time had now expired and that the Department should be advised as to whether Mr. Burke had taken any further action in respect to his application.

Mr. Oliver now encloses a communication from Mr. Burke, in which the latter recites the representations he had made to the Deputy Commissioner as to the accident which had happened to him, and states that he does not think he will be able to fulfil the required conditions until the coming spring as he has just begun to walk and will have to have the ditch surveyed. He asks, therefore, that the lands which he desires to purchase be held for him until that time and enumerates such lands.

The lands which Mr. Burke states that he now desires to purchase under the Irrigation System are set forth in the memorandum herewith. You will observe that in addition to the parcels included in the original application the following lands are applied for, the S.W.¼ and N.E. 26-II-6 West 4th Meridian, the N.W.¼ section 2-12-1 West 5th Meridian, and the W.½ section 26-II-1 West 5th Meridian.

None of these lands are Railway Lands and are vacant in the records of the Department with the exception of the N.E. section 26 which was homesteaded by Mr. J.H. Duncan. The S.W.¼ section 26 is, however, Hudson Bay Company Land.

The point now to be decided is whether Mr. Burke shall be granted the further extension of time he asks for, and whether the additional lands he applies for are to be included in the sale. The approximate area of the lands applied for aggregate

aggregate $7100 [illegible] Order-in-Council will be required. The lands comprised in this original application exceed 640 acres by 320 acres.

Dear Mr Greenway:-

I am sending you a letter, which I received from A.W.Burke of Lynn Lake in regard to some lands which he arranged to purchase under the Location clause of the Location Lands Act. The Lake has not even been surveyed across this land, and nothing else in the way of work done, and Mr Burke is anxious to know if he can file his other land warrant with yours, as he has a right to assign the warrant if he chooses to purchase patent under Location regulations or not.

Kindly let me know what the Department will do in connection with this matter. If possible I would recommend that Burke's request be granted.

Sir,

I am directed to acknowledge the receipt of your letter of the 20th ultimo addressed to the Commissioner of Irrigation enclosing a communication from Mr. A.L.Purvis upon which it would appear that he desires to terminate the water rights which have been sold to him under the irrigation system, and in reply to say that there would be no objection to the surrender of the rights referred to by Mr. Purvis but in his case the first payment on the contract. The contract will, however, of course, be called upon to comply with the conditions under which the sale was made to him.

In this connection I am to inform you that an Order-in-Council was passed on the 24th instant cancelling the sale to Mr. Purvis upon his complying with the irrigation requirements of this Department up to the irrigation of the land and the cancellation of the irrigation water [illegible] and the S.½ of Section 1, Township 2, Range 1, West Fifth Meridian; the S.½ of Section 1, Township 2, Range 1, West Fifth Meridian; the N.½ of Section 1, Township 2, Range 1, West Fifth Meridian; the N.½ of Section 2, Township 2, Range 1, West Fifth Meridian; the N.½ of Section 11, Township 2, Range 1, West Fifth Meridian; and the S.½ of Section 36, Township 1, Range 1, West Fifth Meridian.

CALGARY, ALTA., February 2, 1906.

Sir,

I am in receipt of copy of the Departmental letter of the 22nd ultimo, file 797,573, addressed to Mr. M. McKenzie, Barrister, Macleod, Alta., relative to the application of Mr. A. E. Burke for permission to purchase certain lands under the irrigation system in connection with his applications to acquire water rights under the provisions of The North West Irrigation Act, 1898, and in reply would say that the information contained in that communication has been duly noted.

It may be pointed out that Mr. Burke's applications for water rights are being dealt with under your ref. 402,173 Vol., and are as undermentioned, viz:-

1. Memorial and plans dated April 6, 1901, to divert water from a Spring Creek on the N.E.¼ of sec. 1, tp. 12, rg. 1 west of the 5th meridian, for the purpose of irrigating

and the N.W.¼ of sec. 23, both in tp. 11, rg. 30 west of the 4th meridian, which are amongst the lands included in the Order-in-Council passed on the 12th ultimo, are not comprised in either of the irrigation schemes referred to in the memorials and plans filed by Mr. Burke.

Mr. McKenzie has been advised of the standing of the two applications filed by Mr. Burke, and also informed that, if Mr. Burke desires to purchase the E.½ of sec. 35 and the N.W.¼ of sec. 23, in tp. 11, rg. 30 west of the 4th meridian, under the irrigation system, it will be necessary for him to file the required memorials and plans, under the North West Irrigation Act, 1898, for permission to acquire a water right for the irrigation of those parcels of land, before any further action can be taken in connection therewith.

Sir,

I am in receipt of your letter of the 11th inst. forwarding the application of Mr. F.A. Parsons for water from certain springs on S.E. ¼, Sec. 1, Twp. 11, Rge. 1, West of the 5th Meridian, and S.E. ¼, Sec. 36, Twp. 10, Rge. 2, West of the 5th Meridian for irrigation purposes. I would say that on looking through this office file it is found that Mr. Parsons was granted permission certain lands under the irrigation system which include the N.E. ¼ of Sec. 1, Twp. 11, Rge. 1, West of the 5th Meridian, (this was letter of January 11, 1916, file 40173) and it is assumed this will cover the application for right of way over that quarter section. With regard to the balance of the lands mentioned in your letter above mentioned I would say that a form of application has been forwarded to the applicant for signature and upon its return it will be forwarded and recommended to your Department for consideration.

With reference to the statement of the Commissioner of Irrigation on Ref. 552443 hereon to the effect that Mr. F.A. Burton has been permitted to purchase the W.½ of Sec. 2-12-1-5 under the terms of the Irrigation Act, I may say that, although authority was given for the sale of this land to Mr. A.E. Burke by departmental letter of 22nd of January, 1906, it appears that this quarter-section was not included in the lands to be irrigated and Mr. Burke subsequently limited this application to purchase to the lands to be irrigated. When Mr. Burke subsequently assigned his interest in the lands he had purchased to Mr. Burton this quarter-section was not included. It is not noted here as having been sold to either of these parties and the correspondence indicates that it was applied for in error. Please inform me how the land stands in your records and in your Time Sale register. If it is clear I think Mr. Burton should be granted right of way over his irrigation ditch and that such application should be noted against the land. Files 797173 and 402173 are sent you herewith.

Dear Sir,-

I beg to acknowledge receipt of your letter of the 19th inst. enclosing the application of Mr. W. A. Burns to divert water from Bassano coulee in Township 19, Range 1, West of the 4th meridian and Township 19, Range 20, West of the 4th meridian for irrigation purposes, and note that according to your reports Mr. Burns has committed to expend the sum of $4000.00 in, upon, and about the said works before the 1st day of January, 1921, and that, therefore, he will not have any right to the water.

I am directed to inform you that it appears from our records that Mr. W. A. Burns originally applied for permission to construct the Bassano coulee irrigation reservoir and that Mr. Burns was granted permission to construct the said reservoir by a letter dated 22nd January, 1920. It appears, however, that this permission was not exercised by Mr. Burns within the time limited and Mr. Burns subsequently filed his application to purchase the lands he is irrigating. When Mr. Burns subsequently assigned his interest in the lands to Messrs. Burns and Montgomery and not knowing that the permission had not been exercised it appears that it was applied for originally in error.

The land is now available to the general home and [illegible] application for right of way over

Memorandum:-Mr.York,

The Agent of Dominion Lands at Calgary submits a letter from Mr.George Lane to Mr. F...Pe...e in which Mr.Lane states that he is willing to release the East half of Section 14, Township 14, Range 19, West of the 4th meridian from his lease in case that Mr. Pe... should himself within thirty days of making entry on the land.

You are aware that the East half of Section 6, Township 17, Range 1, West of the 5th Meridian, which was recently granted under lease under the Grazing Regulations to Mr. George Lane, was previously been entered for by Mr.F.J.Pe...e, and that Mr.Pe...e's entry was cancelled in order that the land might be leased to Mr. Lane.

I have not seen the official files, however, that there was any arrangement made whereby, if Mr. Pe...e would relinquish his claim to the East half of Section 6,

The usual procedure would be to notify Mr. Lane that in the event of his relinquishing the East half of Section 14, Township 14, Range 19, West of the 4th Meridian from his lease that no preference right will be given to Mr. Pe..., or any other person, to obtaining entry on the land, but that the land after being posted for the prescribed period would be available to the first eligible applicant over the counter. It is likely that Mr.Lane will not be agreeable to relinquishing the land in question from his lease under such conditions.

Sir,

Referring to the Departmental letter of the 7th instant in which you were informed that in the event of your relinquishing the East half of section 24, Township 14, Range 29, West of the 4th Meridian from your lease of Ranche No. 8734 it would not be possible to give Mr. F. H. Park any preference in obtaining entry for the same, but that the usual procedure in disposing of land of that nature would have to be followed, I am now to inform you that it has since been decided that an arrangement was made between Mr. Park and yourself for an exchange of this land in lieu of the East half of Section 6, Township 17, Range 2, West of the 4th Meridian, which Mr. Park formerly held under entry, and which is now under lease to you for grazing purposes, to allow Mr. Park to make entry on the land in question if he is eligible. You will be further advised in this connection in the course of a few days.

File 176[illegible]0.
798376.

Ottawa

15th November, 1912.

To the [illegible]

[illegible]

I have the honour to report that Mr. J.K. Miller was granted homestead and pre-emption entries for the South ½ of Section 27, Township 6, Range 17, West of the 4th Meridian on the 19th September, 1908, and that as no evidence was filed to the cancellation proceedings subsequently instituted, such entries were cancelled by default on the 25th June, 1911, and re-entry granted Mr. J.A. Holmerson.

It has now been represented to the Department that Messrs Miller and Holmerson had entered into an illegal agreement with respect to the half-section mentioned.

Under these circumstances, it is considered advisable to have an investigation in relation to this matter.

In view of the foregoing, the undersigned has, therefore, the honour to recommend that J.A. Clubbe of Brandon, in the Province of Manitoba, Inspector, Inspector of Dominion Lands Agencies, be authorized under the provisions of the Dominion Lands Act, paragraph (g) section 76, chapter 20, 7-8, Edward VII, to investigate the said question and for that purpose to summon by subpoena any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

Respectfully submitted,

Minister of the Interior.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1935, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

S.E. of Sec. 24 Tp. 3 Rge. 30 West 4th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to transfer the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

John Bell Rankin, Esq.,
Twin Butte,
Alberta.

P.S. You should communicate with the Agent of Dominion Lands at Lethbridge in regard to the N.E.¼-30-3-28-W.4th M. and he will inform you whether it is vacant and available for settlement.

Mr. Hume,

Homestead,- James Gair.
Entry,- 13th January, 1923.

According to the records in the Naturalization Branch, Department of Secretary of State, a William Gair was naturalized a British subject at Edmonton on the 20th of April, 1904. He claimed to be an American citizen, last residence Oregon, California. This would appear to be the father of the applicant for patent for the North West ¼ of Section 17, Township 55, Range 7, West of the 5th Meridian. There is a letter on the father's file showing that he resided in Oregon, U.S.A., before coming to Canada. James Gair came to Canada during his minority, and evidence as to his status as a British subject appears to me to be satisfactory.

Dear Mr. Gibbon:

re: Fur Farming in the Yukon.

I am in receipt of your letter of December 30th, 1946, and have noted the contents with interest.

You will recall that when I was in Ottawa last fall, I had a discussion with Mr. Cory regarding the possibility of granting fur farming licences in the Yukon Territory. At that time I pointed out to him that I was not in favour of granting licences for fur farming in the Yukon Territory, as I felt that the Yukon Game Ordinance was adequate to protect the fur bearing animals in the Territory. I still feel that way about it.

These buildings have been removed and if you would kindly refer to your late registrar's letter of the 3rd August, 1945, you will find he states"--- I may say that Treasury advises that the land is no longer required for their purposes."

"Under the circumstances I think you will agree that the Council must exercise its right to sell such property as it wishes. We appreciate that you would issue instructions to remove this land from the Province for administration.

IR/5

P.C. 445

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 7th day of FEBRUARY, 1947

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL --

WHEREAS, under the provisions of the agreement, dated the 20th of May, 1930, between the Governments of the Dominion of Canada and of the Province of Alberta respectively (ratified and given the force of law by the British North America Act, 1930) the unalienated natural resources within the provincial boundaries were transferred to the said Province and it was expressly stipulated by Clause 10 thereof that nothing in the said agreement should be interpreted as applying so as to affect or transfer to the administration of the province, inter alia,

"(b) any ungranted lands of the Crown upon which public money of Canada has been expended or which are, at the date upon which this agreement comes into force, in use or reserved by Canada for the purpose of the Federal Administration;"

AND WHEREAS the lands described below appear, by virtue of this stipulation, to have continued to be vested in and administrable by the Government of Canada for the purpose of Canada;

AND WHEREAS the Minister of Mines and Resources is of the opinion that it would be in the public interest to place the said Province in a position to administer these lands along with those which already have been transferred to the Province, as aforementioned, for the purposes thereof and, to that end, recommends that the said lands be transferred to the said Province;

THEREFORE His Excellency the Governor General in Council, is pleased to order that the interest of the Crown in the fractional area of the Southeast quarter of Section 8, in Township Eight, Range Five, West of the Fifth Meridian, lying between the Crow's Nest River and the Canadian Pacific Railway right of way containing an area of approximately sixty-seven acres, and in the mines, minerals (precious and base) and royalties derived therefrom, insofar as such interest

...

The Honourable
the Minister of Mines and Resources.

is now vested in the Crown in the right of the Government of Canada, be and it is hereby transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

Clerk of the Privy Council.

Precis for the Clerk of the Privy Council.

Recommending that the fractional area of the south-east Quarter of Section Ten, Township Eight, Range Five, West of the Fifth Meridian, lying between the Canadian Pacific Railway, be transferred to the Province of Alberta. These lands were originally used as an administrative site by the Forest Service of Canada. The buildings have been removed and the land is no longer required. It was proposed to sell the property but, before doing so, a draft description was furnished by the Land Titles Office at Calgary and the District Registrar of that land titles office refused to accept the description as the lands have never been surveyed. The cost of the survey of the river will exceed the value of the land. The Province have requested that the land be transferred to it.

31st January, 1947.

To His Excellency,

The Governor General in Council.

Whereas, under the provisions of the agreement, dated the 30th of May, 1930, between the Governments of the Dominion of Canada and of the Province of Alberta respectively (ratified and given the force of law by the British North America Act, 1930) the unalienated natural resources within the provincial boundaries were transferred to the said Province and it was expressly stipulated by Clause 16 thereof that nothing in the said agreement should be interpreted as applying so as to affect or transfer to the administration of the Province, inter alia,

> "(b) any ungranted lands of the Crown upon which public money of Canada has been expended or which are, at the date upon which this agreement comes into force, in use or reserved by Canada for the purpose of the Federal Administration;"

And whereas the lands described below appear, by virtue of this stipulation, to have continued to be vested in and administrable by the Government of Canada for the purpose of Canada;

And whereas the undersigned is of the opinion that it would be in the public interest to place the said Province in a position to administer these lands along with those which already have been transferred to the Province, as aforementioned, for the purposes thereof and, to that end, recommends that the said lands be transferred to the said Province.

Now, therefore, the undersigned has the honour to recommend that Your Excellency in order that the interest of the Crown in the fractional area of the Southeast quarter of Section Ten in Township Eight, Range Five, West of the Fifth Meridian, lying between the Crow's Nest River and the Canadian Pacific Railway right of way containing an area of approximately sixty-seven acres, and in the mines, minerals (precious and base) and royalties derived therefrom, insofar as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

Respectfully submitted,

Minister of Mines & Resources.

Your ref. - 3 - 31.

I have your two letters dated the 21st inst. and the 8th ultimo requesting information as to the age and nationality of the above mentioned man. In your second letter it is noted that the letter of the 8th ultimo refers to the E.F. 10-39-10-.4th W. whereas it would appear that the application entry of Josiah Hall was for the E.F. 10-39-10-.4th E.

When making application for patent for this quarter-section on the 22nd March, 1906, Mr. Hall stated that he was 53 years of age. In support of his application for patent he furnished a certificate of naturalization into the late Province. This document was returned to him on the 6th February, 1907, to Marysville P.O., Alberta.

Re. S. E. - 35 - 52 - 24 W 4.

Sir,-

On the 13th of July last I forwarded your Department a statement from Daniel McKinlay, Administrator to Mrs. R. Carter of this quarter section, also said I believed the Letters of Administration were filed in your Department. Since then, I have had search made at the Clerk's Office at Calgary, at the Deputy Clerk's Office here and in the Office of Mr. I.C. Taylor who have all the papers of the late Mr. George A. Watson who patent the Letters of Administration but cannot discover any trace of the Letters. Mr. Daniel McKinlay returned from Nova Scotia a few days ago and informs me that some time late in the fall of 1888 or early in the winter of 1889 he received the patent for the N.E. quarter of the above named section 35 from Ottawa and that a Certificate of Title was issued to him for that quarter on the 18th day of January, 1889, and that the said N.E. quarter was the homestead of his deceased brother, Alexander McKinley, and that when he made application for the patent, the Letters of Administration were forwarded to your Department. Under the circumstances it seems to me that the patent being issued to him directly as Administrator of

Alexander McKinley, the Letters of Administration or an exemplification of the same must have been forwarded to your Department and be on file among the papers relating to said U.S. quarter.

Would you kindly have this matter investigated and oblige.

Yours truly,

11.

Clerk.

11th August, 1884.

Sir,

I am directed to acknowledge the receipt of your letter of the 3rd instant, and to say that the assignment from [illegible] Finley the administrator of the estate of [illegible] Finley deceased in favour of [illegible] Conner of the [illegible] of section [illegible], Township 5[illegible], Range [illegible] West of the [illegible] Meridian, has been registered in this Department, and a patent for the land in question is now in course of preparation in the assignee's name. Mortgages registered prior to the liens in both groups of [illegible] were foreclosed resulting in the liens being removed from the titles.

As there is now no possibility of obtaining repayment under the personal covenant and no security remains I would recommend that the balance outstanding be written off.

Provincial Lead Creek [illegible] amount of one thousand, five hundred and five cents ($1505.05) together with accrued interest have already been cancelled.

DOMINION LANDS ADMINISTRATION

Copy to A.D.L., Edmonton.
Ref. #68535.

OTTAWA, 10th September, 1918.

Sir,-

River Lot 20 Victoria Settlement.

¼ Sec. Tp. Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1915, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Copy to A.D.L., Edmonton.
Ref. #68535.

OTTAWA, 19th September, 1918.

Sir,-

River Lot 20 Victoria Settlement.

¼ Sec. Tp. Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.
